Mr. Casey,

Greensboro College hosted the November Interim Council of the North Carolina Student Legislature. A number of resolutions were debated, including one entitled " A Resolution Concerning Military Aid For the Contras."

This resolution brought out the most spirited as well as the most intelligent debate the NCSL has seen in recent Interim Councils. The Speakers in the affirmative felt the United States government was supporting terrorists fighting a popularly elected government in Nicaragua. Opponents stated that the United States was preventing the spread of Communism and compared the situation in Nicaragua to that in Cuba a number of years ago. After much debate, the resolution passed the body by a vote of 59-35.

In conclusion, I thank you for your time and your consideration of this resolution. If you have any questions about this resolution or the NCSL in general, feel free to contact me at the above address.

Sincerely,

Harry C. Dodson
